

Table I. Pre-Biscuit Fire Vascular Plant list for Babyfoot Lake Botanic Area, Josephine County, Oregon

List compiled by Linda Ann Vorobik; * indicates Sensitive Species and ** indicates Watch/Review Species for Siskiyou National Forest. Order is alphabetical by scientific name under the following major groups: I. Ferns, II. Gymnosperms, III. Dicots, IV. Monocots. Families and most nomenclature follow that found in *The Jepson Manual* (Hickman 1993).

Family	Scientific Name	Common Name
I. FERNS AND FERN ALLIES		
Dryopteridaceae		
	<i>Cystopteris fragilis</i>	fragile fern
	<i>Polystichum imbricans</i> ssp. <i>imbricans</i>	sword fern
Polypodiaceae		
	<i>Polypodium glycyrrhiza</i>	licorice fern
Pteridaceae		
	<i>Aspidotis densa</i>	Indian dream
	<i>Cheilanthes gracillima</i>	lace fern
	<i>Cryptogramma acrosticoides</i>	parsley fern
	<i>Pellaea brachyptera</i>	Sierra cliff brake
Selaginellaceae		

Selaginella spp. little clubmoss

Thelypteridaceae

Thelypteris nevadensis Sierran wood fern

II. GYMNOSPERMS

Cupressaceae

Calocedrus decurrens incense cedar

Cupressus lawsoniana Port Orford cedar

Juniperus communis common juniper

Pinaceae

Abies concolor var. *lowiana* white fir

A. magnifica var. *shastensis* Shasta red fir

Picea breweriana Brewer's spruce

Pinus attenuata knobcone pine

P. jeffreyi Jeffrey pine

P. lambertiana sugar pine

P. monticola western white pine

Pseudotsuga menziesii Douglas-fir

Taxaceae

Taxus brevifolia western yew

II. Dicots

Aceraceae

<i>Acer circirnatum</i>	vine maple
<i>A. glabrum</i>	Douglas maple

Apiaceae (Umbelliferae)

<i>Lomatium nudicaule</i>	pestle parsnip
<i>L. triternatum</i>	nineleaf biscuitroot
* <i>Lomatium tracyi</i>	Tracy's desert parsley
<i>Sanicula graveolens</i>	Sierra sanicle

Apocynaceae

<i>Apocynum androsaemifolium</i>	spreading dogbane
----------------------------------	-------------------

Asteraceae

<i>Achillea millefolium</i>	yarrow
<i>Antennaria rosea</i>	rosy pussytoes
<i>A. suffrutescens</i>	shrubby pussytoes
<i>Arnica cernua</i>	nodding arnica
<i>A. spathulata</i>	Klamath arnica
<i>Blepharipappus scaber</i>	eyelash flower
<i>Cacaliopsis nardosmia</i>	silvercrown
** <i>Erigeron cervinus</i>	Siskiyou daisy
<i>E. foliosus</i>	leafy fleabane

<i>E. perigrinus</i>	wandering fleabane
<i>Eriophyllum lanatum</i>	Oregon sunshine
<i>Hieracium albiflorum</i>	white-flowered hawkweed
<i>Luina hypoleuca</i>	silverback luina

Berberidaceae

<i>Achlys triphylla</i> ssp. <i>triphylla</i>	vanillaleaf
<i>Berberis nervosa</i>	shining Oregon grape
<i>B. repens</i>	creeping Oregon grape

Brassicaceae

<i>Arabis koehleri</i> ssp. <i>stipitata</i>	Koehler's rockcress
<i>Cardamine</i> spp.	bittercress
<i>Streptanthus tortuosus</i>	jewel flower

Caprifoliaceae

<i>Linnaea borealis</i>	twinflor
<i>Lonicera ciliosa</i>	orange honeysuckle
<i>Symphoricarpos albus</i>	
or <i>S. mollis</i>	snowberry

Caryophyllaceae

<i>Moehringia macrophylla</i>	bigleaf sandleaf
<i>Silene campanulata</i> ssp. <i>glandulosa</i>	catchfly
<i>S. lemmonii</i>	Lemmon's or darting campion

Crassulaceae

***Sedum laxum* var. *heckneri* Heckner's stonecrop

Ericaceae

<i>S. spathulifolium</i>	broadleaved stonecrop
<i>Allotropa virgata</i>	candycane or sugar stick
<i>Arctostaphylos nevadensis</i>	pinemat manzanita
<i>A. patula</i>	greenleaf manzanita
<i>Chimophila menziesii</i>	little prince's pine
<i>C. umbellata</i>	pipsissewa, prince's pine
<i>Gaultheria ovatifolia</i>	slender wintergreen
<i>G. shallon</i>	salal
<i>Monotropa hypopitys</i>	pinesap
<i>Orthilia secunda</i>	sidebells pyrola
<i>Pleuricospora finbriolata</i>	Sierra or finged pinesap
<i>Pterospora andromedea</i>	pinedrops
<i>Pyrola asarifolia</i>	alpine pyrola, bog wintergreen
<i>P. picta</i>	white-veined wintergreen
<i>P. minor</i>	lesser wintergreen
<i>Rhododendron macrophyllum</i>	Pacific rhododendron
<i>Sarcodes sanguinea</i>	snow plant
<i>Vaccinium myrtillus</i>	dwarf bilberry
<i>V. parvifolium</i>	red huckleberry
<i>V. scoparium</i>	grouse whortleberry

Fabaceae

<i>Lupinus sp.</i>	lupine
--------------------	--------

Thermopsis rhombifolia golden pea

Fagaceae

Chrysolepis chrysophylla golden chinquapin

Lithocarpus densiflorus var. *echioides* tanoak

Quercus chrysolepis canyon live oak

Q. garryana var. *breweri* Brewer's oak

Q. sadleriana deer oak

Q. vaccinifolia huckleberry oak

Garryaceae

G. fremontii Fremont's silk-tassel bush

Grossulariaceae

Ribes roezlii var. *cruentum* shinyleaf gooseberry

Hydrophyllaceae

Romanzoffia sp. mistmaiden

Lauraceae

Umbellularia californica Oregon myrtle, California bay

Orobanchaceae

Orobanche uniflora naked broomrape

Papaveraceae

Dicentra formosa var. *formosa* bleeding heart

Philadelphaceae

Whipplea modesta modesty, yerba de selva

Polemoniaceae

Phlox gracilis slender phlox

Polygonaceae

Eriogonum compositum arrowleaf buckwheat

E. nudum barestem buckwheat

E. ternatum ternate buckwheat

Portulacaceae

Calyptridium umbellatum pussypaws

**Lewisia cotyledon* ssp. *purdyi* Purdy's lewisia

**L. oppositifolia* opposite-leaved lewisia

Montia parvifolia

Primulaceae

Dodecatheon jeffreyi tall mountain shooting star

Trientalis latifolia western starflower

Ranunculaceae

Aquilegia formosa red columbine

Delphinium nuttallianum Nuttall's larkspur

Rosaceae

Amelanchier alnifolia serviceberry

Fragaria vesca wild strawberry

Holodiscus discolor creambush oceanspray

Potentilla glandulosa sticky cinquefoil

<i>Rosa gymnocarpa</i>	little wild rose
<i>R. ursinus</i>	Pacific blackberry or dewberry
<i>Sorbus sitchensis</i>	mountain ash

Salicaceae

<i>Salix</i> spp.	willow
-------------------	--------

Saxifragaceae

<i>Mitella pentandra</i>	alpine mitrewort
<i>Saxifraga ferruginea</i>	rusty saxifrage
<i>S. howellii</i>	Howell's saxifrage
<i>S. mertensiana</i>	Merten's saxifrage

Scrophulariaceae

<i>Penstemon parvulus</i>	small azure beardtongue
<i>P. davidsonii</i>	Davidson's penstemon
<i>P. deustus</i>	hotrock penstemon
<i>P. rupicola</i>	cliff penstemon

Violaceae

<i>Viola cuneata</i>	wedgeleaf violet
<i>V. hallii</i>	Hall's Violet
<i>V. sempervirens</i>	redwoods or evergreen violet

IV. ANGIOSPERMS: MONOCOTS

Cyperaceae

Carex mendocinensis Mendocino sedge

Iridaceae

Iris bracteata Siskiyou iris

I. innominata golden iris

Juncaceae

Luzula comosa Pacific woodrush

Liliaceae

Allium siskiyouense Siskiyou onion

**Calochortus howellii* Howell's mariposa lily

Clintonia uniflora queen's cup

Disporum hookeri

**Fritillaria glauca* Siskiyou fritillary

Lilium sp. (*aff. columbianum*) Columbia lily

Smilacina racemosa false solomon's seal

Stenanthium occidentale bronze bells

Streptopus amplexicaulis var. *americanus* twisted stalk

Trillium ovatum trillium, wakerobin

Veratrum insolitum Siskiyou false hellebore

Xerophyllum tenax beargrass

Zigadenus micranthus small flowered deathcamas

Orchidaceae

<i>Calypso bulbosa</i>	fairy slipper
<i>Cephalanthera austiniiae</i>	phantom or snow orchid
<i>Corallorhiza maculata</i>	spotted coralroot
<i>C. mertensiana</i>	western coralroot
<i>Goodyera oblongifolia</i>	rattlesnake plantain
<i>Listera caurina</i>	northwest twayblade

Poaceae

<i>Festuca</i> sp.	fescue
--------------------	--------
